# Let South Florida Commuter Services reduce the stress of your daily commute.

South Florida Commuter Services (SFCS) is the regional commuter assistance program funded by the Florida Department of Transportation (FDOT) providing free assistance to commuters, businesses, and municipalities in Miami-Dade, Broward, and Palm Beach Counties. With help from SFCS, you can enjoy the benefits of sharing the ride:

- Save money on gas, parking & tolls
- Enjoy special tax incentives
- Reduce the miles of wear and tear on your vehicle
- Access the HOV lane for a faster commute
- Make new friends and arrive to work less stressed

At SFCS, we offer the following free services:

**CARPOOLING/VANPOOLING** – Want to read, catch up with work, or just relax on your drive, SFCS makes it easy to find people to share the ride! RidePro, our online ridematching service, allows us to match you instantly to people who live and work near you, and are also interested in reducing the high cost of gas, parking and tolls. SFCS can assist you in finding a carpool or vanpool that meets your commuting needs. Log on to [www.1800234RIDE.com](http://www.1800234RIDE.com) today!

**TRANSIT** – Transit can be more convenient and less expensive than driving, even for infrequent trips. SFCS can provide you with trip planning services for Miami-Dade Transit, Broward County Transit, PalmTran, or Tri-Rail.

**EMERGENCY RIDE HOME (ERH)** – Want to share the ride but worried you might have an emergency? Commuters who carpool, vanpool, bike, use transit, or walk at least 3 days a week are eligible for a FREE taxi ride home (up to 6 per year) in the event of an emergency.

**Call us today to find out about all your alternative transportation options available at 1-800-234-RIDE or log on to [www.1800234RIDE.com](http://www.1800234RIDE.com) to begin sharing the ride.**
